### **Code of Ethics for Plagiarism**

1. I know that plagiarism means taking and using the ideas, writings, works or inventions of another person as if they were one's own. I/We know that plagiarism not only includes verbatim copying, but also the extensive use of another person's ideas without proper acknowledgement (which includes the proper use of quotation marks). I/We know that plagiarism covers this sort of use of material found in textual sources and from the Internet.
2. I acknowledge and understand that plagiarism is wrong.
3. I understand that my research must be accurately referenced. I/We have followed the rules and convention concerning referencing, citation and the use of quotation as set out in the Departmental Guide.
4. This project work is my/our own work, or my/our group's unique group project work. I acknowledge that copying someone else's work or part of it, is wrong, and that submitting identical work to others constitutes a form of plagiarism.
5. I have not allowed, nor will I/We in the future allow, anyone to copy my/our work with the intention of passing it off as their own work.
